

Veröffentlichungen in Fachjournalen 2006

- GONZÁLEZ-BARREIRO, C.; MARTÍNEZ-CARBALLO, E.; SITKA, A.; SCHARF, S. & GANS, O. (2006): Method optimization for determination of selected perfluorinated alkylated substances in water samples. *Analytical and Bioanalytical Chemistry*, Volume 386, Numbers 7-8 / December, Springer Berlin/Heidelberg, S. 2123-2132
- GRILLITSCH, B.; GANS, O.; KREUZINGER, N.; SCHARF, S.; UHL, M. & FUERHACKER, M. (2006): Environmental risk assessment for quaternary ammonium compounds: a case study from Austria. *Water Science & Technology* Vol. 54 No 11-12, S. 111–118
- GRILLITSCH, B., KREUZINGER, N., GANS, O., KUCERA-HIRZINGER, V., LESUEUR, C., UHL, M., ZORNIG, H., SCHARF, S., FUERHACKER, M. (2006): Biocides (Quaternary Ammonium Compounds, QACs) in the Aquatic Environment - A Modular Study in Austria. In: SETAC Europe 16th Annual Meeting: Society of Environmental Toxicology and Chemistry, 7-11 May 2006, The Hague, The Netherlands, S. 148
- ZECHMEISTER, H. G.; DULLINGER, S.; HOHENWALLNER, D.; RISS, A.; HANUS-ILLNAR, A. & SCHARF, S. (2006): Pilot Study on Road Traffic Emissions (PAHs, Heavy Metals) Measured by Using Mosses in a Tunnel Experiment in Vienna, Austria. *Environmental Science and Pollution Research* 13 (6), S. 398 – 405
- ZECHMEISTER, H. G.; HAGENDORFER, H.; HOHENWALLNER, D.; HANUS-ILLNAR, A. & RISS, A. (2006): Analysis of platinum group elements in mosses as indicators of road traffic emission in Austria. *Atmospheric Environment* 40, S. 7720 -7732

Posterbeiträge 2006

- HUTTER, H. P. & HARTL, W. (2006): Humanbiomonitoring of Musk compounds, International symposium on capillary chromatography, 28.5.-2.6.2006, Riva del garda
- GRILLITSCH, B.; KREUZINGER, N.; GANS, O.; KUCERA-HIRZINGER, V.; LESUEUR, C.; UHL, M.; ZORNIG, H.; SCHARF, S. & FUERHACKER, M. (2006): Biocides (quaternary ammonium compounds, qacs) in the aquatic environment - a modular study in Austria, abstract no. 378, SETAC Europe 16th Annual Meeting, 7.-11.05.2006, World Forum Convention Center in The Hague, NL

KREUZINGER, N.; FUERHACKER, M.; SCHARF, S.; UHL, M.; GANS, O. & GRILLITSCH, B., (2006): Methodological approach towards the environmental significance of uncharacterized substances - Quaternary Ammonium Compounds as an example, Miriam Balaban, Editor, Abruzzo Science Park, Via Antica Arischia, 1 L'Aquila 67100, Italy; siehe unter "Publikationen" MEDA WATER International Conference on Sustainable Water Management, Rational Water Use, Wastewater Treatment and Reuse, WaT3R, 8.-10.6. 2006, Marrakech, Morocco
