

LEGEND

LIMITS

- Regional limits
- Town/village limits
- NPP influence zone limits
- TOWN/VILLAGE
- Counties, towns
- Village — commune residence
- Village

INDUSTRY

- Industrial areas:
- A Cernavoda—Saligny
 - B Cernavoda harbour
 - C Medgidia North
 - D Medgidia East Hardour
 - E Fetești North—West
 - F Fetești East

INDUSTRIAL AND AGRO-INDUSTRIAL OBJECTIVES, STOREHOUSES

- agricultural products storehouse
- mill—making unit
- milk—processing unit
- Agromec. S.A. unit
- roads maintenance unit
- liquefied gases storehouse
- gas station
- quarries: a — clay; c — limestone; d — diatomite

PIPELINES

- Methane gas existing pipeline (to be doubled)
- Methane gas existing pipeline (in design phase)
- Oil products existing pipelines bundle
- Mineral oil (Diesel) existing pipeline
- Isolation valves and pumping stations

- Existing railway Bucharest—Constanța (railway with increased speed)
- Existing railway (double)
- Existing railway (normal)
- Railway station
- Existing/design phase highway DC
- Main updated road — DN, DJ, DC
- Stop station (design phase)
- Main existing bridges

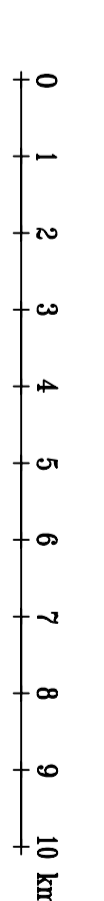

Figure 4.7-1

Population, economic objectives, oil products and methane gas pipelines, transport routes within Cernavoda NPP — U3 influence zone (r = 30 km) (scale 1:100,000)
