

# **Khmelnitsky Unit 2 and Rovno Unit 4 Completion and Upgrade Project**

## **Comment Book**

This book is provided for you to submit your comments on the above project. These will be collected and taken into consideration when the final versions of the Environmental Action Plans for the plants are produced.

Additionally, the comments will be grouped and responses published in a book to be made available to the public after the consultation period ends.

If you would prefer to submit your comments directly to ENERGOATOM National Atomic Power Generating Company, which own the plants, you should write to:
